

## Overview

ActiveKEY from GE Security simplifies your ability to conduct your real estate business. ActiveKEY is convenient, easy to use, and secure. Friendly features and wireless authentication make ActiveKEY the ideal lockbox key for those who want basic lockbox functions and no hassle.

ActiveKEY is more than a just a lockbox key, With instant showing alerts, you will know right away when another ActiveKEY user has opened one of your keyboxes.

The large, easy-to-read display window and the fully backlit keypad light make it easy for you to use your ActiveKEY even in low light. A built-in flashlight helps you see what you are doing in dark doorways and entrances.

ActiveKEY is a wireless device, eliminating the need for a cradle or phone line. The ActiveKEY network provides optimal cellular coverage nationwide. Your connections are seamless, continuous, and automatic.
