

DIDJA KNOW?

Newsletter

Be in the Know of your Clients!

Did you know you can view your client's activity on MRMLS Matrix?

When client's select favorite or unwanted listings you can stay informed on their needs.

Recent enhancement of Matrix allows you to view email history, listing history, and FULL listing data of your client's favorite and unwanted listings.

Now you can be at the top of your game with ALL the data in front of you.

Download [Step by Step Instructions](#) or watch our video on [How to View Your Client's Listings Within MRMLS Matrix](#).
