## New Customer Brief Photos Report

Many Brokers and Agents have submitted suggestions requesting a Customer Brief report to display all of a listing's photos for their client.

CRMLS is pleased to announce that we have deployed a new Customer Brief Photos Report to accommodate this feature request.

Follow the steps below to view the new Customer Brief Photos report:

1. Perform a search in the CRMLS Matrix Platform.
2. Select at least one listing, then click the **Report** button.
3. Select **Customer Brief Photo** and click the **Print/View** button.
