

## Faster Access for Co-Listing Agents

On January 13, the CRMLS Matrix Platform will be updated to provide Co-listing Agents with faster access to their co-listed listings.

Co-listed listings will now appear in My Listings on the My Matrix tab and in the Quick Modify list on the Add/Edit tab for all Co-listing Agents.

- To quickly view a list of all of your active listings and co-listed listings, click the **My Matrix** tab, then click the **My Listings** link.
- To quickly modify a co-listed listing, click the **Add/Edit** tab, then select the listing in the **Quick Modify** drop-down menu.

For complete details on viewing and modifying listings, refer to the CRMLS Matrix Platform [Listing Management Manual](#).
