How Many Opportunities Did You MISS?

You've got a listing, an Agent needs to get in contact with you ... your phone number on the listing is wrong... how did this happen?

It is crucial that you make sure YOUR contact information is current so that other agents can reach you easily. Otherwise, you may be missing out on opportunities for your clients.

To prevent this from happening to you, update your telephone numbers, emails, websites, or other contact points... *and even select **YOUR** preferred contact order!*

Your preferred contact order will be displayed on selected reports and displays. Exactly in the order **YOU** want it!
