

Matrix 5.3: New and Improved

MRMLS and your Local Associations are constantly looking for new tools and products to help you become more successful.

MRMLS Matrix will be **temporarily offline Tuesday, June 29th from 9PM to 7AM** to launch the new MRMLS Matrix 5.3 & CARETS Commercial on Wednesday **June 30th**.

New Features List:

1. New Home Page Dashboard & Widgets

- The home page will display new customizable and moveable widgets. Different widget panels such as *Recent Contacts*, *Client Portal Visits*, *Carts*, *Favorite Searches*, *Hot Sheets*, *External Links* and a collapsible *News* section can be seen on the home page.

2. Improved Organization of Matrix Tabs

- Realist, Smart Trac and PinPoint tabs will be relocated to a new tab called *Links*.

3. Floating Buttons Bars & Smart Buttons

- In the search results page, buttons used to revise, email, print, map and create a CMA will float on the page as you scroll through a long list of properties. Unused buttons will be hidden from your view until you hit the expand icon.

4. New CARETS Commercial System

- All Commercial, Commercial Lease and Business Opportunity listings can be found and input in the new CARETS Commercial system.

5. Export Contact List

- Contact information stored in MRMLS Matrix can be exported into a csv file.

6. Client Two-Way Communication

- Clients can email their agent directly from the Client Portal.

7. Improved Cross-Browser Compatibility

- MRMLS Matrix is compatible with Chrome, Firefox, Internet Explorer 7+ and Safari.
