
Updated Reports for the CRMLS Matrix Platform

On March 3rd, Statistical CMAs and Agent 1 Page Reports will be updated to accommodate the most requested features by Brokers and Agents.

To view the updated Reports, perform a search and click the **Report** button on the Search Results page. Refer to the list of changes below:

- The List Price Sold Price Ratio Statistical CMA for all property types will be replaced with a Price Per Square Foot Statistical CMA.
- The Map Book Statistical CMA for Residential Income will be replaced by a Total Building Square Foot CMA and a Year Built Statistical CMA.
- The Agent 1 Page Report has been reorganization to reduce the chance of it printing to a second page.

Lot Size has been added to the 1 Line Hot Sheet Display. To view the new display, click the Personal Hotsheet or Residential Hotsheet link on the Matrix Home tab.
